

Dear Parents and Guardians,

My name is Madison Webb and I am a Teacher Candidate in the process of completing the necessary education to become a certified teacher. This letter is to notify you that from Monday, February 26 until Friday, March 15, I will complete an experiential practicum in [REDACTED] Grade 3 class. During this time, I will teach ~25% of the lessons each day. Primarily, I will be teaching Math and Social Studies lessons. I will spend the remaining portion of the day alongside [REDACTED] in the classroom.

I am excited and grateful for the opportunity to complete my practicum with your students at [REDACTED] School.

Sincerely,

Miss Madison Webb
University of Northern British Columbia Teacher Candidate
